NEW! 90-MINUTE MINI WORKSHOPS

Join us 9:30am Wednesday mornings at CreativeTechs. Pick up a couple new skills, and get back to work before lunch. Put what you learn to use the same day.

Every Wednesday 9:30am - 11am **\$50.00 per person**

PHOTOSHOP: RETOUCHING SKIN

October 3rd, 9:30 AM - 11 AM

This special topic showcases images from the portfolio of photographer **Rosanne Olson**. Join us, as we demonstrate a wide range of techniques for dealing with the unique challenges involved in retouching skin.

MASTERING ADOBE'S PEN TOOL

October 10th, 9:30 AM - 11 AM

Drawing paths with Adobe's pen tool is a crucial bread and butter skill for designers using any Adobe application. If you find yourself avoiding this icon, set aside 90-minutes this month with Jason Hoppe and we'll help you really "get" the Pen tool!

PHOTOSHOP: CLONING SECRETS

October 17th, 9:30 AM - 11 AM

Retouching artists perform daily magic with Photoshop's cloning tool. Join master retoucher, Jason Hoppe, for another installment in his series on non-destructive Photoshop retouching techniques.

USING ADOBE BRIDGE CS3

October 24th, 9:30 AM - 11 AM

Adobe Bridge has become a powerful, way to manage your media files. Creative teams use Bridge to organize large collections of images. Come learn how to add keywords, manage metadata, and many other Bridge tricks.

HALLOWEEN: TRICKS & TREATS

October 31th, 9:30 AM - 11 AM

Join us Halloween morning for a fast, fun, collection of tricks and treats. We've pulled together our favorite tips from over the years. Plus, bring your spookiest questions — if you can stump us, you'll walk away with something special in your goodies bag.
